Complete series of 8 headphones available:

1 (Low price headphones) - 40000

Any other headphones can also select (change the product we bring up the almost zero dollars from the 100,000)

With 100,000 selling the headphones for the first time, it is undoubtedly the best selling time.

At the same time, the 100,000 headphones are sold out, which means that the headphones are sold out.
